OFFICE OF PETITIONS

PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE NOTICE OF ALLOWANCE

Dear Sir:

This paper is being filed in response to a routine status check on July 31, 2006 regarding the above-mentioned application during which Applicant's attorney noted that a Notice of Allowance issued by the Office on April 21, 2006 had not been received by Applicant's attorney. The application went abandoned because Applicant did not receive and therefore did not respond to the Notice of Allowance.

Applicant hereby petitions for a withdrawal of the holding of abandonment of this application under 37 CFR 1.181(a). (See Manual of Patent Examining Procedure (MPEP) Section 711.03(c)(I)(A)).

In all applications handled by Applicant's attorney's firm, Office Actions and Notices received from the Patent Office that require a response are entered on the front of the application's file as well as in a computerized docketing system called "IPMASTER" that is commercially available through Thomson-West, Inc. The Office Actions/Notices are placed in the file, and the file is given to the responsible attorney. Applicant's attorney notes the due

date for response on her personal calendar in Microsoft's Outlook software program. Applicant's attorney has searched the file jacket, her office, her calendar, the docketing system, and her assistant's office and did not find a copy of the Notice or any other evidence that the Notice had been received.

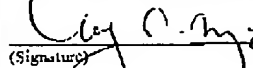

Enclosed herewith are copies of the front of the file for the above-referenced application showing the dates of all Office Actions and Notices received from and responses sent to the U.S. Patent Office. Copies of the records from Applicant's attorney's calendar and docketing system are further enclosed herewith.

A copy of the payment of the Issue Fee is also enclosed herewith.

Withdrawal of the holding of abandonment and entry of the payment of the issue fee is respectfully requested.

No petition fee is believed to be required under 37 CFR 1.181 because this petition is being filed within 2 months of July 21, 2006, which is the final date by which the Issue Fee was to be paid.

I hereby certify that this correspondence is being facsimile transmitted to the USPTO at (571) 273-6300 on the date shown below:
